Subject: Per Diem

Chris:

Can you verify the travel requirements associated with the F.J. Doyle Site? My understanding is that if you are staying at your house every night and your travel to/from site is less than 50 miles (from closest of house or office) and you are not working more than 12 hours a day that you do not get per diem.

Can you confirm the requirements? I know we have gotten an inquiry from Weston so we need to get this figured out.

Thanks
